

**Mrs Betty Creagh** and her husband came to Perth to live when their farm was sold. She became a member of the Congregation of Trinity Church in the Terrace and so began over 40 years of service to the Community.

She joined the ladies who managed the lunch room at the rear of the Church serving tea, coffee and light refreshments.

She would also help within the church and visit those who were in hospital and gave invaluable help to those who were dying and had no relatives.

For the last 20 years Betty has had the management of the Lunch Room which includes working out the roster and ordering supplies.

She has managed this as well as bringing up 2 children. Betty also assists in selling our Mini Lions Christmas cakes.
