

## HILARY LEE

Hilary Lee qualified as an occupational therapist in Oxford England.

She came to Perth in 1988 - and completed a Master's Degree in health Science at the Curtin University. She is married and has 2 adult sons.

She developed the Spark of Life philosophy with Jane Verity CEO of Dementia Australia and is a keynote speaker all over Australia & Overseas.

IN 2009 an International jury of 30 presented Hilary and Jane the International Aged Care Award.

The Internationally awarded philosophy helped to enrich the lives of people with dementia by reconnecting with their families and carers, speaking again and restoring their hopes and zest for life.
