Please submit further details separately. In preparing these further details as part of the nomination, please note the following:

Please ensure that the nominee's names are spelt correctly so that the spelling on the Award Plaque will be correct.

Include as much information as possible about their personal involvement and contribution to their community, through what organizations and over what period of time. This is essential to determine their suitability for the Award, and to prepare a suitable citation to be inscribed on the Award Plaque.

Please include information on the nominee's family, children, ages, education etc. Their current or previous involvement in their children's activities, scouting, sporting, P & C etc.

Letters from the various volunteer organizations to which the nominee has given service to over the years is encouraged as this gives a much broader knowledge of the value of their service and contribution to others.
